4th of July

The City of Gulf Shores will celebrate the Fourth of July with a stunning display of fireworks, beginning at 9:00 pm, July 4th. The whole family can enjoy watching the explosions of color, as we help celebrate the birth of our nation. Thundering Blossoms, Crackling Chrysanthemums, and Twinkling Stars full of spangles, gold and glitter are just a few of the specialty shell fireworks that will be featured throughout the show.

Don't forget your radio as you head to the beach. Once again, Sunny 105.7FM will add a musical dimension to the spectacular display that is sponsored by the City of Gulf Shores. In the case of delay or cancellation, Sunny 105.7FM and other media outlets, will broadcast the information immediately.

The fireworks may be seen from any Gulf Shores area beach. This year's show will be shot from the Gulf State Park Pier.

Be prepared for an outstanding show! In case of severe weather the fireworks display will take place the following night, July 5.
