## STATE OF ALABAMA

March 8, 2016

Honorable Robert Craft  
Mayor  
City of Gulf Shores  
P.O. Box 299  
Gulf Shores, Alabama 36547-0299

Dear Mayor Craft:

I am pleased to provide this letter of support for the City of Gulf Shores' proposed 2015 TIGER Grant Program application. I understand this project includes transportation infrastructure in the Waterway Village District of the City of Gulf Shores, including a major pedestrian bridge over the Intracoastal Waterway, a new road connecting the Gulf Shores Business and Aviation Park to the Waterway Village business district, as well as sidewalks and shared-use paths throughout the district.

The project will also greatly improve traffic conditions on HWY 59 by adding an additional southbound lane to the existing bridge over the Intracoastal Waterway. This project will surely improve vehicle and pedestrian access and safety in the area, create new economic opportunities, and enhance the quality of life for residents of and visitors to Gulf Shores.

It is my pleasure to support the City of Gulf Shores' application in any way possible, and I hope it will be successful. If you feel that I may be of further assistance or can provide you with any additional information, please do not hesitate to let me know.

Sincerely,

A handwritten signature in black ink that reads "Robert Bentley".

Robert Bentley  
Governor
