Re: Support for Gulf Shores' "Tiger Grant" Application

Dear Mayor Craft:

The City of Robertsdale supports your 2016 USDOT Transportation Investment District Generating Economic Recovery Program Grant (Tiger) application for the Waterway Village Multimodal Access project. Your plans through the grant application with USDOT would certainly provide benefit to your local residences and the visitors that come to enjoy your lovely community. Your plans would initiate economic enhancement for our area, but it would also increase pedestrian safety through the construction of added public trails and sidewalks for general public use. I'm certain that there your plans will assist in traffic flow improvements on St. Hwy 59 and they will relieve vehicle volumes in the Intracoastal Waterway area.

We with the City of Robertsdale applaud your efforts in seeking these improvements for your community and hope you will be successful in your "Tiger Grant" application, and USDOT will see the benefit to the general public in approving the funding for your grant.

Yours truly,

  
Charles H. Murphy  
Mayor
