

MINUTES OF MEETING
BEAUTIFICATION BOARD
May 10, 2010

Present for the meeting:

Evelyn Sanders, Carolyn Brown, Steve Burrow, Jimmie VanValkenburgh, Rodney Powell, Jim Bauer, Cliff Collings, Carolyn Doughty, Mary Acreman

Evelyn Sanders, serving as chairman, called the meeting to order at 8:30 a.m.

Minutes of the March 10, 2010 meeting were approved by motion of Steve Burrow, seconded by Jim Bauer.

Old business:

In December the Board sent a letter and list of items requesting attention to the Mayor and Council members. Discussion regarding the progress of the list followed and it was decided that the Beautification Board members would attend the May 24th Council meeting and address some of the items on the list. One in particular is the sign at the entrances of the city limits.

The Beautification Award was tabled until the June meeting. Steve asked us to all please look around for an award winning property.

Tree City USA Training Session will be held May 28th. Evelyn asked for the names of all who would be available to go to this session. Evelyn handed out a list of local contacts for each of us to call and invite to the session.

Cliff Collings reported on the landscaping projects that he is currently working on. He also handed out a list of trees to be considered for Arbor Day for 2011. He asked us to look it over and bring back our suggestions to the June meeting.

Carolyn Doughty and Mark Acreman went over some of the areas the city is currently working on – the biggest is to protect the beaches from the oil spill. Carolyn reported that there is currently a study being done on the city entry signs.

With no further business the meeting was adjourned. The next meeting will be June 9th.
