

NOTICE
FROM MAYOR ROBERT CRAFT

NEIGHBORHOOD MEETING
FOR
BEACH AREA RESIDENTS
OF GULF SHORES

The Gulf Shores Mayor and City Council will hold the fifth in a series of six neighborhood meetings on Saturday, November 21, 2009.

The purpose of this meeting is to allow **residents living in the East Beach, West Beach, and surrounding residential "beach area"** to meet with their City Officials. As your elected Council, we want to hear what you would like to see the City do more of, or less of, in your area. We recognize that different neighborhoods have different needs so meetings have been held in various locations during the past several months.

We also want to receive citizen input on a city infrastructure master plan that will serve as our guide as we work on our community's future. We believe citizen input is vital to making Gulf Shores a more vibrant, attractive community for permanent residents and year round tourists alike.

Our fifth neighborhood meeting will take place on Saturday, November 21, 2009 at 9:00 A.M. at City Hall in the Council Chambers (1905 West 1st Street). We are asking **all residents in the East Beach, West Beach, and surrounding residential "beach area"** to attend this meeting.

There will be one (1) additional neighborhood meeting on Saturday, December 19, 2009 at 9:00 A.M. for Fort Morgan, The Ridge, and Peninsula at St. Andrews By The Sea Church.

A separate city wide meeting with local businesses will also be held at a later date.

Please mark your calendars for Saturday, November 21, 2009 at 9:00 A.M. to join us at City Hall for the fifth "Neighborhood Meeting."

We look forward to seeing you there.
