Dear Friends,

Due to the BP Oil Event, a temporary Small Business Administrative office has been set up at the Harry Roberts Community House. The SBA is open Mon-Sat 8 am – 5 pm until further notice.

In an effort to continue the senior program and accommodate the relief assistance for the area, some activities have been relocated to other city facilities.

Please take a moment to look over the calendar on the reverse and the column to the left for more information. Please call if you have any questions.

As always, I look forward to seeing you soon!

*Sylvia*
