

SMALL TOWN, BIG BEACH™

DATE: August 29, 2022

ISSUE: Professional services proposal from Civil Southeast Engineering Group to perform design services associated with the Bodenhamer Center Parking Lot Improvements.

RECOMMENDATION: Accept professional services proposal for Bodenhamer Center Parking Lot Improvements from Civil Southeast in an amount not to exceed \$77,800.

BACKGROUND: The FY2022 budget included funding for design costs to perform improvements to the parking lot at the Bodenhamer Recreation Center. The proposed improvements include:

- Re-paving the entire parking lot
- Adding additional parking spaces
- Drainage Improvements
- Sidewalk Improvements

Civil Southeast has provided a proposal to perform the design services for the project, including detailed site layout, storm drainage design, grading plan, and required details for construction.

PREVIOUS COUNCIL ACTION: Council approved resolution 6537-22 on April 11, 2022 for \$15,200 to Civil Southeast for preliminary survey and design work.

BUDGET IMPLICATIONS: Funding for this professional services proposal is included in the \$150,000 budgeted for this project in FY 2022 Account #14-879-81003, Impact Fees - Recreation.

RELATED ISSUES: None
