

CITY COUNCIL AGENDA ITEM

SUBJECT: West Beach Blvd TAP Grant – Professional Services

STAFF CONTACT: Clint Colvin

COUNCIL MEETING CYCLE: February 16, 2026 Committee of the Whole Meeting

RECOMMENDED COUNCIL ACTION:

Accept proposal from Civil Southeast, LLC in an amount not to exceed \$80,100.

BACKGROUND/SUMMARY:

The City received an ALDOT TAP Grant in November to aid in the construction of improvements along West Beach Blvd and W 11th St, project # TAPAA-TA26(930).

This project will enhance pedestrian access and safety along West Beach Blvd by creating a 10' wide concrete sidewalk/multi-use path detached from the travel lane. The pedestrian path would extend from the West Lagoon Ave intersection to W 11th St. An additive alternate will be included in the project to install a sidewalk along W 11th St from West Beach Blvd to West Lagoon Ave.

Civil Southeast was selected from the pre-approved ALDOT list of qualified engineering firms.

RELATED ISSUES:

None

PREVIOUS COUNCIL ACTIONS:

Council approved resolutions 6985-25 and 7051-25 authorizing submission of the TAP Grant application and acceptance of the TAP Grant.

FINANCIAL IMPACT:

The estimated total cost of this project is \$1,010,275. The TAP grant will cover 80% of the construction, design, and CE&I costs, up to \$800,000. There is \$90,350 budgeted in FY2026 in account 38-879-65300 for the design of this project.

SMALL TOWN, BIG BEACH™

KEY DATES:

Design is expected to be completed in 2026. It is anticipated that construction will be done in 2027, upon approval and authorization by ALDOT
