ISSUE: Bi-Annual ALDOT Required Bridge Inspection

RECOMMENDATION: Accept Proposal from Southern Engineering Solutions to perform bridge inspection in an amount not to exceed \$10,000.00

BACKGROUND: The City is required by ALDOT to perform bridge inspections on all bridges and large culverts every two years. Southern Engineering Solutions is an ALDOT Pre-Qualified Consultant who will utilize an ALDOT certified bridge inspector to perform the inspections and complete the necessary reporting.

PREVIOUS COUNCIL ACTION: The City contracted these services every 2 years for the last 14 years.

BUDGET IMPLICATIONS: Funding for this project is included in the \$150,000 budgeted in FY 2019 R&M Streets/Drainage/Sidewalks, Account 01-563-64375.

RELATED ISSUES: None
