Recommendation for Award

Dear Steve:

Attached is the notarized bid tabulation sheet for the above referenced project. There were two bids received and all were read aloud.

The apparent low bid was submitted by Asphalt Services, Inc. We recommend the project be awarded to Asphalt Services, Inc.

Please advise on whether you wish to take Alternate One and/or Alternate Two if funds are available.

Please don't hesitate to call should you have any questions.

Sincerely,
WALCOTT ADAMS VERNEUILLE ARCHITECTS, INC.
