DATE: May 20, 2019

ISSUE: Request to Install Four Way Stops Sign along East 1st Ave

RECOMMENDATION: Approve installation of Four Way Stop Signs along East 1st Ave.

BACKGROUND: The City has received requests from residents along East 1st Ave to install stop signs at the intersections of 1st, 2nd, 3rd and 4th Streets. Public Works inspected the locations and feels the Four Way Stop signs are warranted given the increased traffic and pedestrian presence at the side streets now that the traffic signals and pedestrian crossings are finished. The Police Department has reviewed this request and concurs as well.

PREVIOUS COUNCIL ACTION: None.

BUDGET IMPLICATIONS: Any expenditures would be absorbed in the existing Streets Division Account 01-563-66510, Traffic Signs/Markers.

RELATED ISSUES: None.
