ISSUE: Design Proposal for Budgeted FY 2019 Street Resurfacing

RECOMMENDATIONS: Approve the Professional Services proposal from Southern Engineering Solutions (SES) in the amount of \$58,500.00.

BACKGROUND: The City received a professional services proposal from SES to prepare the bid documents for resurfacing the below listed streets depending on the availability of funds. The \$58,500 design fee represents approximately 7% of the estimated construction cost.

The proposed 2019 Resurfacing List:

1. Wedgewood Drive (includes bike lanes)
2. West 6th Ave
3. Royal Oaks Circle

PREVIOUS COUNCIL ACTION: Council passed the 2019 Budget that included funding for Streets Resurfacing.

BUDGET IMPLICATIONS: Funding for the design fees are included in the \$500,000 budgeted in Account #01-563-80690, Streets Resurfacing and the \$300,000 budgeted in Account #14-879-84001, Transportation Impact Fees.

RELATED ISSUES: None.
