ISSUE: Street Widening/Bike Lanes and Resurfacing Bid

RECOMMENDATIONS: Award Bid for Street Widening/Bike Lanes and Resurfacing to Asphalt Services, Inc. in an amount not to exceed \$740,000.

BACKGROUND: The City opened bids on October 1, 2019, for the Street Widening/Bike Lanes and Resurfacing project. Asphalt Service, Inc. was the lowest conformer bidder with a bid amount of \$653,441.90. Since this is a unit bid contract, we recommend awarding the bid in amount not to exceed \$740,000.

The streets included in this project are:

1. Wedgewood Drive (includes 5' bike lanes each side)
2. West 6th Ave
3. Royal Oaks Circle

PREVIOUS COUNCIL ACTION: Council passed resolution 6150-19 on June 10, 2019 for the design of the Street Widening/Bike Lanes and Resurfacing project by Southern Engineering Solutions.

BUDGET IMPLICATIONS: There is \$800,000.00 budgeted for this project and is included in the 2019 budget in account numbers 01-563-80690 and 14-879-84001.
