**DATE:** February 21, 2020

**ISSUE:** Sportsplex Improvements – Frame Supported Bleacher Shades Bid

**RECOMMENDATION:** Award Sportsplex Improvements Frame Supported Bleacher Shades contract to McElhenney Construction, LLC in an amount not to exceed \$187,000.

**BACKGROUND:** The City opened bids on Thursday, February 20, 2020 for Sportsplex Improvements Frame Supported Bleacher Shades. McElhenney Construction, LLC was the lowest conforming bidder with a total bid amount of \$186,953.10. Engineering recommends award of the contract to McElhenney.

This contract is to provide and install frame supported shade structures over the bleachers at each of the five fields at the Sportsplex.

Originally, \$65,000 was budgeted in 2019 and \$125,000 was planned for 2020 for a total of \$190,000. However, when bids were opened in November, 2019 the low bid came in at \$419,275. Those bids were rejected, and the project scope was revised to the current design.

**PREVIOUS COUNCIL ACTION:** Council approved resolution 6229-19 rejecting the bids opened on November 12, 2019 for being substantially over budget.

**BUDGET IMPLICATIONS:** \$125,000 is budgeted in Account 14-879-81003 (Recreation Impact Fees). An additional \$66,500 will need to be added to this account via a forthcoming budget amendment to cover this contract amount plus the \$4,500 spent on engineering to redesign the project to stay within budget.
