DATE: February 24, 2020

ISSUE: West Lagoon Avenue Multi-Use Path and Resurfacing Project Bid

RECOMMENDATION: Award West Lagoon Avenue Multi-Use and Resurfacing Project contract to McElhenney Construction, LLC in an amount not to exceed \$1,420,000.00.

BACKGROUND: The City opened four bids on Friday, February 21, 2020 for the West Lagoon Ave Project. McElhenney Construction, LLC was the lowest conforming bidder with a total base bid amount of \$1,418,525.81. Since this is a unit bid contract, Engineering recommends award of the contract to McElhenney in an amount not to exceed \$1,420,000.

This project will add 5' wide bike lanes to both sides of West Lagoon Ave, as well as resurfacing of the entirety of West Lagoon Ave. Additionally, a detached 10' wide pedestrian path will be built on the north side of West Lagoon Ave.

On the eastern end of West Lagoon Ave, the new pedestrian path will connect with the Beach Blvd sidewalks. On the west end, the path will connect all the way back to Lagoon Pass Park. This will greatly enhance pedestrian connectivity and safety in this area of the City.

PREVIOUS COUNCIL ACTION: Council approved resolution 6134-19 on April 22nd, 2019 authorizing a contract for Engineering Services for the West Lagoon Ave project.

BUDGET IMPLICATIONS: \$1,647,000 is budgeted in Account 43-879-64599 for this project and the future ACAMP Boardwalk connection to Sandpiper Lane.

RELATED ISSUES: None
