

SMALL TOWN, BIG BEACH™

**DATE:** August 12, 2020

**ISSUE:** Request to install additional 3-way stop signs and a crosswalk at the intersection of West Canal Drive and West 2<sup>nd</sup> Street.

**RECOMMENDATION:** Approve installation of Three Way Stop Signs and crosswalk at the intersection of intersection of West Canal Drive and West 2<sup>nd</sup> Street.

**BACKGROUND:** The City was routed a request from residents adjacent to the intersection of West Canal Drive and West 2<sup>nd</sup> Street to install a 3-way stop condition to address speeding along West Canal Drive. Engineering believes the additional stop signs are warranted as there is an existing daycare at this intersection, and the 3-way stop will support the installation of a crosswalk to connect the sidewalks along West Canal Drive to the sidewalks along West 2<sup>nd</sup> Street. The Police Chief has also reviewed this request and concurs with this request.
