

SMALL TOWN, BIG BEACH™

DATE: September 30, 2020

ISSUE: Award bid to Containment Systems LLC to install new Backstop Netting Systems at the Gulf Shores High School women's varsity softball and men's varsity baseball fields.

RECOMMENDATION: Award Backstop Netting Systems contract to Containment Systems LLC in the amount of \$55,000.

BACKGROUND: The City opened bids on Wednesday, September 30, 2020 for Backstop Netting Systems. Containment Systems LLC was the lowest conforming bidder with a total base bid amount of \$55,000. Engineering recommends award of the contract to Containment Systems LLC.

This contract is to provide and install new backstop netting and poles for the Varsity Softball and Baseball fields at the Sportsplex. This project is part of the larger scope of work to renovate the Varsity fields.

PREVIOUS COUNCIL ACTION: Council awarded the Bleacher Shade Structures contract on September 28, 2020.

BUDGET IMPLICATIONS: This project is being funded from the City School Appropriation, via account #01-679-60093. This portion of the project is included in the overall estimated renovation project cost of \$290,000.
