

SMALL TOWN, BIG BEACH™

**DATE:** August 11, 2021

**ISSUE:** Request to install 3-way stops at the intersections of West 1<sup>st</sup> Street/West 12<sup>th</sup> Ave and Blue Heron Drive/Cypress Lake Drive.

**RECOMMENDATION:** Approve installation of 3-way stops at the intersections of West 1<sup>st</sup> Street/West 12<sup>th</sup> Ave and Blue Heron Drive/Cypress Lake Drive.

**BACKGROUND:** Engineering received two requests for 3-way stops at existing intersections:

**West 1st Street/West 12th**

We received a petition signed by residents on West 12<sup>th</sup> Ave to install a 3-way stop condition at West 1<sup>st</sup> St to address speeding along West 12<sup>th</sup> Ave. Engineering believes the additional stop signs are warranted as there has been an increase in thru traffic due to the recently completed access management improvements to Ft. Morgan Road.

**Blue Heron Drive/Cypress Lake Drive**

We received a request from the Craft Farms Property Owners Association to install a 3-way stop condition at Blue Heron Drive/Cypress Lake Drive to deter thru traffic that is being routed through Craft Farms by navigational systems to avoid Hwy 59 & Foley Beach Express traffic congestion. Engineering believes the additional stop signs are warranted as it would make the route less conducive to thru traffic.

Chief Delmore has also reviewed and concurs with these two requests.

**PREVIOUS COUNCIL ACTION:** None

**BUDGET IMPLICATIONS:** Any expenditures will be absorbed in the existing Streets Division Account 01-563-66510, Traffic Signs/Markers.

**RELATED ISSUES:** None.
