The City has installed radar signs, stop signs, and lowered the speed limit to 25 MPH to address speeding and reduce traffic. This roundabout will provide traffic calming as well as make the intersection of Regency Road and Clubhouse Drive safer for motorists and pedestrians.

PREVIOUS COUNCIL ACTION: Council awarded the design contract to Fabre Engineering.

BUDGET IMPLICATIONS: Funding for this project is included in the \$1,100,000 budgeted for Streets Resurfacing in FY 2022 in 01-563-80690 and 14-879-84001. Funding sources include the State Gas Tax, Developer Impact Fees and City General Fund.
