## AGENDA ITEM SUMMARY

**DATE:** March 17, 2022  
**TO:** Mayor, City Council, City Administrator  
**FROM:** Melvin Shepard, Chief of Staff  
**ISSUE:** Award Bid for two Ford 150 trucks

**BACKGROUND:** Bid is for two 2022 Ford 150 trucks. One truck will replace 2090, a 2016 Colorado used at the beach. The second truck is for the new Fire Inspector position. Due to manufacturing we were not able to purchase these vehicles from the state bid list and instead had to purchase from sealed bid. The unit bid for these vehicles is \$54,491.00 each or \$108,982.00.

**RECOMMENDATION:** Approval is recommended.

**BUDGET IMPLICATIONS:** \$90,000 was budgeted in 2022 for two vehicles (Fire Vehicles Account #01-535-80839 and Fire Beach Vehicle Account #37-556-80001). Budget Amendment #1 will include \$17,000 to make up the difference in cost and add emergency equipment and branding.
