

## Land Disturbance Activity Permit

A Land Disturbance Activity Permit is required to ensure proper control of erosion, sedimentation, and stormwater runoff during development or other land-altering activities — particularly when a site plan, subdivision approval, or building permit is not otherwise required.

## How to Apply

Applications must be submitted online through the [City of Gulf Shores Online Licensing and Permitting Portal](#). The portal provides a step-by-step guide to assist applicants throughout the process.

## Application Steps:

- Complete the online application form.
- Upload all required documents and supporting permits.
- Please allow up to 10 business days for application review.
- Track the status of your application at any time through your online portal account.

## Permit Fees

- \$250 — Permit Fee due at the time of application.
- Additional fees may apply as determined by the City of Gulf Shores.
