Honorable Robert Craft, Mayor  
City of Gulf Shores  
P.O. Box 299  
Gulf Shores, AL 36547-0299

Dear Mayor Craft:

I support the City of Gulf Shores' proposed 2018 BUILD Grant Program application. This project includes transportation infrastructure in the Waterway Village District of the City of Gulf Shores, including a major pedestrian bridge over the Intracoastal Waterway, a new road connecting the Gulf Shores Business and Aviation Park to the Waterway Village business district, as well as sidewalks and shared-use paths throughout the district.

The project will improve traffic conditions on HWY 59 by adding an additional southbound lane to the existing bridge over the Intracoastal Waterway. This project will improve vehicle and pedestrian access and safety in the area, create new economic opportunities, and enhance the quality of life for residents and visitors to Gulf Shores.

Sincerely,

A handwritten signature in black ink that reads "Trip Pittman".
