Honorable Robert Craft Mayor  
City of Gulf Shores  
P.O. Box 299  
Gulf Shores, Alabama 36547-0299

Dear Mayor Craft:

I would like to take this opportunity to express my support for the City of Gulf Shores in their application for funding through the U.S. Department of Transportation's Better Utilizing Investments to Leverage Development (BUILD Grant program).

The Gulf Shores Waterway Village Multimodal Access Project will provide much-needed vehicular, bicycle, and pedestrian access throughout the Waterway Village District, Gulf Shores Business and Aviation Park, and to Jack Edwards Airport. This project would provide the necessary transportation infrastructure to promote economic development and job creation that is not dependent on beachfront activities, helping to make the South Baldwin economy more resilient and sustainable year-round.

It is my pleasure to support the City of Gulf Shores' application in any way possible, and I hope it will be successful. If you believe that I may be of further assistance or can provide you with any additional information, please do not hesitate to let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve McMillan".
