

Ordinance 1800

License Application/Renewal Check List

Please verify that the following items have been received with the license application/renewal:

All Beachfront and Waterfront Recreational Businesses:

- Description/address of site location
- Proof of property ownership, property lease, or a written document authorizing the applicant to operate the proposed business from the property
- Written authorization from the property owner defining the number of temporary storage facilities and their location to be allowed on their property
- A description and sample of the "suitable marking of distinctive color and size, so as to render the licensee's rental equipment at a distance of 300 feet."
- A copy of the applicant's current and complete insurance policy including all endorsements, naming the City of Gulf Shores as an additional insured in amounts necessary to meet the ordinance requirements.
- A copy of the current certificate of insurance naming the city as the additionally insured.

Parasail, Towed Recreational Water Rides, Personal Watercraft Rentals

- All items listed above
- A fueling and fuel storage plan
- Details of a fuel spill contingency plan
- Copy of vessel operator's license, USCG Captain's License
- Site map showing business footprint, water ingress, egress and safety corridor relative to the boundaries of the rental site.

Other Beachfront or Waterfront Recreational Rental, Amusement or Ride Service Businesses

- Site specific business model
- Written authorization from business owner approving applicants business model

****All license applications for Beach and Waterfront Recreational Businesses must be reviewed and require authorization from the Director of Recreation and Cultural Affairs prior to the issuance or renewal of a Business License.**
